- ⊗ Motorized window treatments for residential & commercial projects.
- ⊗ Integrates with all third party automation systems.
- ⊗ Turnkey Solution: design, engineering, project management, manufacturing, installation and programming of our systems.

just power™

SIMPLE SOLUTIONS FROM SOLAR SHADING SYSTEMS

Solar Shadings Systems' Just Power™ system puts 110v VAC behind each motorized shade, eliminating the need for control wires. Radio frequency is used to activate virtually silent motors.
